Minette Hartman

Creative Director · Customer Communications & Brand

Founder, Fervent Digital Marketing · Art & Creative Director, iLiveIT

Creative director specialising in the communications companies send to thousands of customers at a time: **HTML email, MMS, statements and invoices, and personalised video**. More than 20 years in design for marketing and customer communications, including 14 years leading creative at iLiveIT for telecoms, banking, insurance and retail brands in South Africa and Australia. Founder of Fervent Digital Marketing, an independent studio for brand identity, websites and campaigns. Brings senior craft, production discipline and an owner's eye for budgets to every brief.

20+

years in design and marketing communication

10,000+

personalised videos for one telecoms campaign

< 2 days

email turnaround, down from 4–5 days

Up to 40

email designs in production at once, each tested

EXPERIENCE

Founder & Creative Director

2018 – present

Fervent Digital Marketing · Hartbeespoort · independent studio, remote

- Independent studio for brand identity, brand books, websites, HTML email and campaigns. Every brief is handled personally, from first conversation to final files.
- **Infra** (AI infrastructure start-up): complete brand specification book, from strategy and voice to logo suite, colour, typography, iconography and a UI component library with copy-ready code.
- Clients also include **ARC Solutions** and **Fig Tree Creations**, plus independent illustration, invitation and packaging commissions.

Executive Graphic Designer | Art & Creative Director

Sep 2012 – present

iLiveIT (Pty) Ltd · Johannesburg (remote) · South Africa and Australia

- Leads creative for omnichannel customer communication (HTML email, MMS, statements and invoices, personalised video, print and digital) for telecoms, banking, insurance, medical-aid and retail brands.
- Built iLiveIT's responsive HTML email template system, used across all clients: for large clients, turnaround fell from 4–5 days to under two, with up to 40 designs in production at once, each tested across popular email clients.
- Designs statement, invoice and MMS templates populated at volume every month, including Telkom's invoice mailers for seven customer segments, an MTN tax invoice with usage chart, and a Portuguese-language invoice for Vodacom Mozambique.
- Recruits and mentors the creative team, reducing turnover; introduced automation that removed workflow bottlenecks; created iLiveIT's single brand identity across South Africa and Australia.

Brands designed for, in-house: Telkom, MTN, Vodacom, Cell C, Momentum, Capitec, FNB, Dis-Chem, GEMS, Bestmed, OUTsurance, MiWay, Suncorp and Commonwealth Bank, among others.

Owner & Director of Operations

Nov 2020 – Jul 2023

INRATIME (Castle Da Angelo & Loui-Giano Angelo wedding venues) · Pretoria

- Ran two luxury wedding venues alongside the iLiveIT role: operations, budgets and vendor contracts that cut costs without lowering standards.
- Led marketing, sales and PR, building a strong bookings pipeline and repeat business; styled venues and designed florals by hand.

EDUCATION

International Diploma in Multimedia & Animation

Damelin, Pretoria · 2002

All 10 modules passed, average 85.1%, including HTML 4, Java, Flash, Director, 3D Studio Max, Premiere and sound editing.

EXPERIENCE (CONTINUED)

Project Manager & Senior Graphic Designer

Jan 2012 – Sep 2012

Blackmoon Design & Advertising · Pretoria

- Ran several projects at once to deadline: SETA annual reports and multi-page books, insurance marketing collateral, brochures, labels, and web and email design.
- Oversaw print production and colour quality; mentored junior designers.

Web Development Manager & Senior Graphic Designer

May 2008 – Dec 2011

Multimedia Solutions (later IMImobile South Africa) · Johannesburg

- Led a team of web developers from concept to launch, including QA testing and SEO best practice.
- Designed websites, landing pages, digital portals, email, launch kits and direct marketing.
- Member of the management committee (MANCO); assisted with cost estimates, purchase orders, invoicing and debt collection.

Senior Print Ad / Marketing Graphic Designer

Jun 2006 – May 2008

Media24 — Beeld · Pretoria

- Lead designer for newspaper and magazine advertising, posters, billboards, packaging, direct mailers and event invitations, to daily deadlines.
- Handled art preparation and colour separation; reviewed junior designers' work.

Earlier roles

2003 – 2006

Graphic Designer / Web Developer, Eridge Marketing, Johannesburg (2005 – 2006): website coding and race-day updates for the Shelby Can-Am SA site; billboard design.

Personal Assistant & Graphic Designer, Arkateq, Centurion (2003 – 2005): first role in web, digital and print design.

SELECTED PROJECTS

Personalised video at scale

More than 10,000 unique personalised videos for a global telecoms company's WhatsApp campaign, from one data-led creative framework.

ILIVEIT

Baby club lifecycle programme

Dis-Chem Baby: 20+ staged emails from pregnancy to toddlerhood, with one visual system that grows with the customer.

ILIVEIT

East African credit card rollout

Credit card marketing suites for a top-tier bank in Kenya and Uganda: precise local currency and formatting, within global brand standards.

ILIVEIT

Monthly billing communications

Telkom invoice mailers for seven customer segments every month, plus statement MMS for three product lines.

ILIVEIT

Personalised onboarding video

"Welcome" and explainer videos for banking and insurance clients in South Africa and Australia that make complex policy information clear.

ILIVEIT

Infra brand specification book

A complete brand book for an AI infrastructure start-up, from strategy and voice to a UI component library.

FERVENT DIGITAL MARKETING

WHAT CLIENTS CAN EXPECT

Senior hands on every job

You deal with me directly, from brief to final files.

Files that work first time

Tested in email clients, press-ready for print.

Clear and on time

Fixed quotes, agreed dates, replies within 24 hours.

Brand work for corporate clients was produced in-house at iLiveIT; those brands are not clients of Fervent Digital Marketing. Portfolio: ferventdigital.co.za/portfolio.html
